

# CTIS

## Transforming Health Informatics Through Innovation

### Overview

CTIS, Inc. is a Women Owned Small Business (WOSB) based in Rockville, Maryland with over 30 years of experience delivering innovative IT business solutions and modernization, data, security, and infrastructure for the health industry across health research, public health, and health education. We are a leader in delivering enterprise solutions that provides business value and implement efficiencies to optimize costs, increase performance and ROI.

Supporting healthcare stakeholders range from the Federal Government, to commercial, hospital systems, academic institutions, pharma, global initiatives, and non-profit organizations including the National Institutes of Health, the National Cancer Institute, the National Institute of Allergy and Infectious Diseases, the National Heart, Lung, and Blood Institute, and the National Institute on Minority Health and Health Disparities. CTIS strives to provide top quality health informatics solutions that healthcare researchers, pharmaceutical organizations and providers use to improve patient and civilian well-being, and to build healthier communities.

### Proven Capabilities

#### Health IT

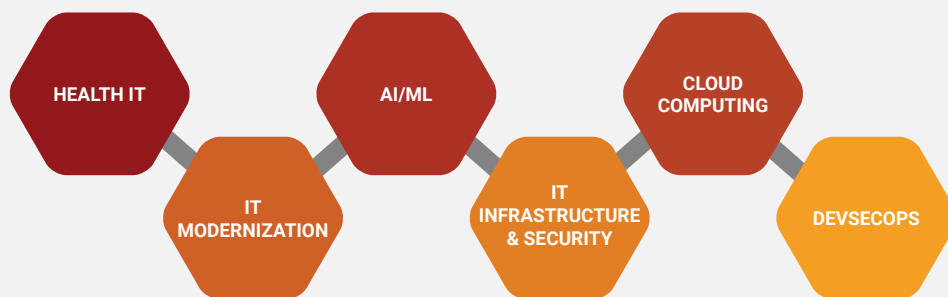

Delivering enterprise informatics solutions to support clinical trials, data security, regulatory compliance, and health data standardization.

#### AI/ML

Using artificial intelligence and machine learning to streamline clinical trial reviews, enhance data accuracy, and enable smart automation.

#### Cloud Computing

Managing secure cloud migrations and hybrid infrastructures across AWS and Azure, optimized for resilience, scalability, and compliance.

#### IT Modernization

Modernizing legacy systems with agile software, DevSecOps, analytics, and user-centered solutions that support digital transformation.

#### IT Infrastructure & Security

Delivering secure, scalable hosting and infrastructure support with disaster recovery, compliance (NIST/NIACAP), and 24/7 monitoring.

#### DevSecOps

Integrating security into the development lifecycle to enable continuous ATQ, faster deployment, and improved government system compliance.

### Contract Vehicles

#### GSA MAS

- Contract Number: 47QTCA20D008E
- SINS: 132-51; 132-56; 132-40
- Period of Performance: 04/02/2020 to 04/01/2030
- Prime/Sub: Prime

#### CIO-SP3 SB

- Contract Number: HHSN316201200124W
- Period of Performance: 07/15/2012 to 04/29/2026
- Prime/Sub: Prime

#### NCI CBIIT PITS BPA

- Contract Number: 47QTCA20D003A
- Period of Performance: 11/10/2022 to 11/09/2027
- CTA member

#### SPARC-SB

- Contract Number: HHSM-500-2017-0001 81
- Period of Performance: 02/21/2017 to 02/20/2027
- Prime/Sub: Prime

#### FDIC ITAS NG BOA

- Contract Number: CORHQ-21-G-0434
- Period of Performance: 09/01/2021 to 08/31/2026
- Prime/Sub: Prime

# CTIS Building the Future Together

## Our Clients

## Key Past Performance

### Cancer Therapy Evaluation Program Informatics & Computer Support DHHS /NIH/ NCI/ Division of Cancer Treatment and Diagnosis/ CTEP

**Period of Performance:** 09/15/2015 to 06/30/2022 and 07/01/2022 to 06/30/2027 (successive contracts)

**CTIS provides:** Enhancement, re-engineering, maintenance, and integration support for Enterprise System (CTEP-ESYS).

**Prime/Sub:** Prime

### NIAID Clinical Research Management System (NIAID CRMS) DHHS /NIH/ NIAID

**Period of Performance:**

**CTIS provides:** Software development, maintenance, application integration, business intelligence and analytics, IAM, document management, training, help desk, application security, and data management to support NIAID's diverse research agenda.

**Prime/Sub:** Sub

### Division of AIDS-Regulatory Support Center (DAIDS-RSC) DHHS /NIH/ NIAID / DAIDS / OPCRO / CRRB

**Period of Performance:** 04/15/2024 to 04/14/2031

**CTIS provides:** CTIS hosts and manages the development and test environments for RSC systems and applications and provides operational IT support for NIAID CRMS components.

**Prime/Sub:** Sub

### Excellence and Return On Investment

- OMB-assessed 250% return on investment to the government
- Key Awards: NIH Merit Award, NIAID Merit Award, seven NCI Director's Awards
- Computerworld's Best Practice Award, Champions in Global Health Award
- Excellent CPARS Rating

### Long Standing Partnership

- 30+ years providing informatics solutions for clinical trials and research
- Competencies include community-based participatory research (CBPR) & policy research expertise
